

# WHEEL LOADER BOOM ATTACHMENTS

A POWERFUL ADDITION.

# ***BUILDING THE BEST.***

**At Diamond Mowers, we build the best. By that, we mean the toughest, safest, and most reliable products in the industry.**

We continuously enhance our products with designed innovation and a keen understanding of the customer application. We don't build what we want, we build what you need – durable, dependable and effective boom mower products.

With exceptional customer service and our strong reputation, we'll continue to build the best.

# SELF-CONTAINED

## AVAILABLE LENGTHS

23-FT, 25-FT

**Install this diesel-powered, self-contained hydraulic system onto your existing wheel loader and get to work.**

Fully self-contained with independent power, electrical and hydraulic systems, you can trim tree branches, cut brush or grass - and do it all with the efficient quality of a Diamond.

---

# LOADER POWERED

## AVAILABLE LENGTHS

23-FT, 25-FT

**With no additional engine to maintain,** this mower can be easily converted in the field to trim tree branches, cut brush or grass - and do it all from either the left or right hand side.

# CUTTING HEADS

At **Diamond**, we find the smartest ways to enhance the resources you already own. Our **Wheel Loader Booms** are the perfect example of how we construct a powerful addition for your toolbox.
